CLS Privacy Statement

CLS is committed to protect your online privacy and believes it is important for you to know how we handle the information we receive from you via the Internet. Our Privacy Policy describes what information we collect online, how we protect it and what choices you have about how that information is used. We encourage you to read this Policy carefully so that you will understand the privacy standards used to ensure the security and confidentiality of your information. Should you have any questions about this policy or our privacy practices, please contact **Margeurite Busch at mbusch@paml.com**.

What Personal Information CLS Collects

CLS will collect information that identifies you online only when you voluntarily provide it to us through our site. The CLS bill payment link which allows you to make electronic payments, requests that you provide personal financial data for the payment of invoices. Information from the bill payment link does not display or transmit any personal health care information about you or from your account.

How CLS Protects the Security of Personal Information

It is CLS's policy to protect your personally identifiable information against unauthorized access or release. All the personal information you provide to us is handled through a Secure Socket Layer which is a leading Web technology that encrypts your account information. Additionally, CLS maintains all personal patient data within the CLS information system firewalls that operate on separate CLS servers. The general public may not access these servers.

Collection and Use of Non-Personal Information/Cookies

As a convenience to our site visitors, CLS's website contains links to a number of sites that may provide useful information. Links contained on the CLS website which transfer you to a non-CLS site are not maintained by TML and may contain different information and/or different privacy policies from those of CLS. You may wish to review the privacy policies of these web sites and/or receive specific information regarding that site's privacy policies and procedures after leaving CLS's site. CLS is not responsible for the content or privacy practices of a non-CLS website. CLS does not control, or have any input into, whether internet-linked sites use or accept cookies on their sites.
